The petitioner was appointed as Secondary Grade Teacher in the year 1997, against an unaided vacancy, in the 4th respondent School. Only three posts of Secondary Grade Teacher in the 4th respondent institution are admitted into grant-in-aid. Correspondence ensued between the 4th respondent and authorities of the Education Department for admission of few more posts into grant-in-aid. Ultimately, the District Educational officer, the 3rd respondent, addressed letter, dated 21.02.2004, to the Commissioner and Director of School Education, 2nd respondent herein, with certain recommendations. The particulars of the teachers working in the institution and the strength of the students for the preceding three years were furnished. The name of the petitioner figured in the said proposals. The grievance of the petitioner is that no action has been taken thereon.

Heard the learned counsel for the petitioner and the learned Government Pleader for School Education.

The admission of institutions or posts into grant-in-aid is governed by the Scheme formulated by the Government and it is to be operated depending on the guidelines issued from time to time. On his part, the 3rd respondent forwarded the proposals to the 2nd respondent, in relation to the 4th respondent institution. The question as to whether there exists proper basis for acceptance of such proposals either in their entirety or in part, needs to be examined by the 2nd respondent with reference to extant rules. The matter cannot be kept pending for an unduly long time.

Hence, the writ petition is disposed of directing the

2nd respondent to pass appropriate orders on the proposals submitted by the 3rd respondent through his letter dated 21.02.2004, within a period of two months from the date of receipt of a copy of this order. There shall be no order as to costs.
